Re: Second Chance Program

Dear ██████████ ██████████

My name is ██████████ ██████████ and I am a member of the Second Chance Society being formed at ██████████ ██████████. I was part of the volunteer team of inmates who cleaned the unit, painted it and got it ready. On behalf of all of us, I would like to say that things are going extremely well and we truly appreciate the opportunity.

I anticipate being released in ██████████ of ██████████. My wife and I would like to pursue my life long dream of starting a Charter Fishing Business. My greatest challenge in that is that I require a (6 PK Charter licenses) Captain's license. As a felon, in order to obtain that goal, I need to present the ██████████ ██████████ ██████████ with letters of recommendation from reputable people at the time when I apply to take that exam. I'm exploring the option of seeking a Certificate of Employability which provides relief from the barriers of issuance of professional licenses. In addition to that I would like to ask, if your office would

provide a letter of support for me to utilize;

- ① In my dealings with the [REDACTED] [REDACTED] for the certificate of employability and ② In my request for licensing through the [REDACTED] [REDACTED] [REDACTED] ?

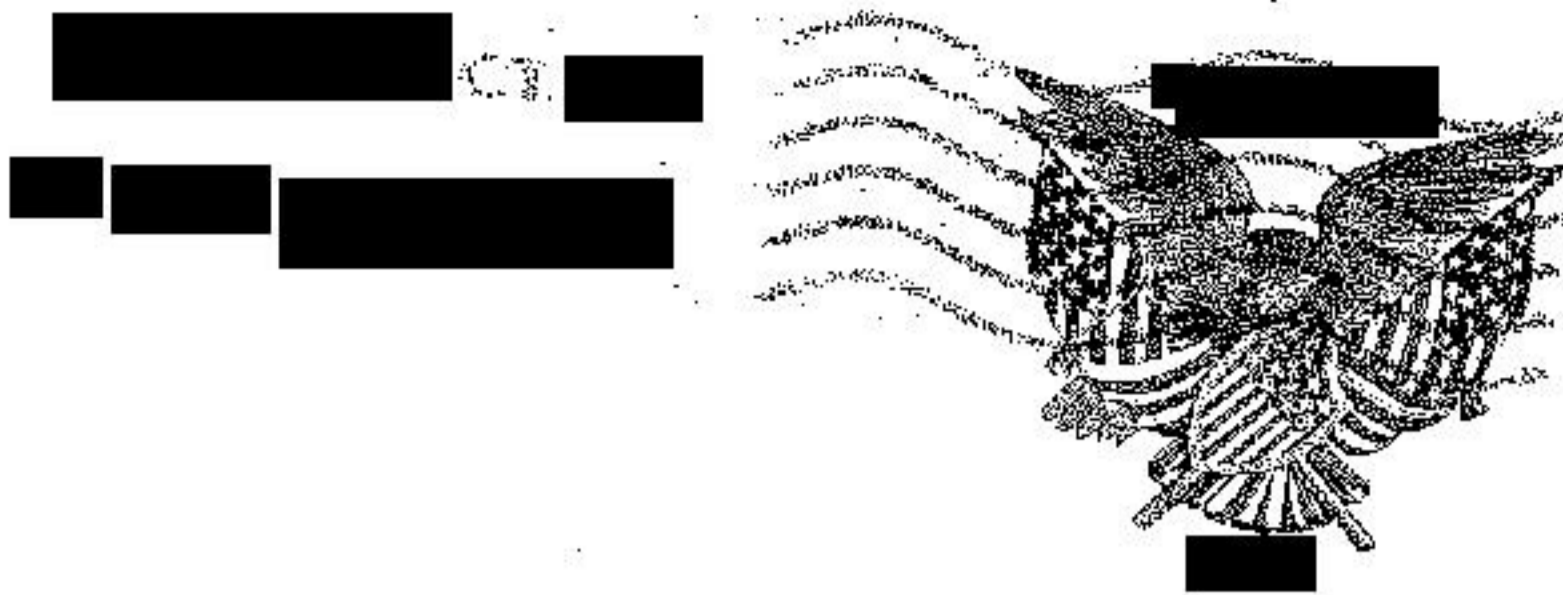

I'm looking for support in my decision to start my business and to do the right thing as a productive member of society. I sincerely thank you for taking the time to read this letter and thank you for all of the opportunities you have made available to us.

Very Respectfully,
