THE FIELD OF OPERATIONS IN

MARYLAND AND VIRGINIA.

Now that Government and Revolutionary

troops are being concentrated in various

sections of Maryland and Virginia, it will be

interesting to know the location of the dif-

ferent places, and the following will be found

convenient for reference:

Washington Junction, Md., is a small

town on the Baltimore and Ohio Railroad,

nine miles southwest from Baltimore, and

the same distance directly north of Annapolis

Junction. The Washington Branch Rail-

road here leaves the main line, running south

through Annapolis Junction and Bladensburg

to Washington—distance twenty-nine miles.

It not only commands the Baltimore and

Ohio Railroad, but the Potomac river. The

town is not much more than a mere railroad

station, and has a population of only about

one thousand or twelve hundred inhabitants.

Annapolis Junction, Md., is a railroad sta-

tion, seventeen miles southwest from Bal-

timore, and twenty-two miles northeast of

Washington, on the Washington Branch of

the Baltimore and Ohio Railroad. The An-

napolis Branch Railroad, a short line of only

twenty-two miles length, here comes in from

Annapolis. The point derives its chief im-

portance from commanding the railroad route

from Annapolis to Washington, a total dis-

tance of thirty-nine miles. The only town

of any note on the line of the Annapolis

branch road is Millersville, eleven miles from

Annapolis.

The Relay House, Md., is a small railroad

station, seven miles north of Baltimore, on

the Northern Central Railroad; it is an im-

portable village, so far as its population or

business is concerned.

Cockeysville, Md., eight miles north of the

Relay House, and fifteen miles north of Bal-

timore, on the Northern Central road, is not

much more than a railroad station. Just

south of the station are the ruins of the

bridge burned by the revolutionists on the

**THE CAMPAIGN.**  
NEWS FROM FORT PICKENS AND  
THE GULF FLEET.

**WAS LIKE MOVEMENTS OF THE  
VIRGINIANS.**  
Movement of Gen. Pillow.

**NEGROES COMMITTING DEPREDATIONS  
IN KENTUCKY.**

**FROM WASHINGTON.**  
WASHINGTON, May 10.—The President  
by general orders directs all officers of the  
Army, except those who have entered the  
service since the 1st of April, to take and  
subscribe a new oath of allegiance to the  
United States.

It is estimated that at least 300,000 vol-  
unteers have tendered their services to the  
Government. Of the large number here but  
few are in the hospital; they receive the best  
of attention. The inexperienced volunteers  
particularly, it is stated, are subjected to  
rigid drill, and show marked improvement in  
military exercises.

The Adjutant General receives numbers of  
applications for books. He replies that the  
only work distributed from his office are  
those on tactical instructions, and the supply  
of them is so nearly exhausted as to be in-  
sufficient to supply volunteers actually must-  
ered into service.

**WAS LIKE MOVEMENTS OF THE  
VIRGINIANS.**  
BALTIMORE, May 10.—About 800 Vir-  
ginians are camped on the Maryland shore  
and heights, that vicinity being fortified. A  
battery is placed at Jefferson Rock, also  
under command in pipes are laid for blowing  
up bridges and other property at a moment's  
notice if necessary. The conduct of the Vir-  
ginians excites indignation among the people  
of Washington County. Thirty Baltimoreans  
passed through Frederick this morning on  
their way to Harper's Ferry.

It is reported that the Virginians had seized  
the small steamer William Selden, which  
made connection with Old Point and Norfolk,  
thus breaking off all communication.

**REMARKS OF THE CONDITION OF  
THE CONFEDERATE ARMY.**  
BALTIMORE, May 10.—A letter has been  
received by an officer in the U. S. Army  
from a friend formerly an officer in our army,  
now an officer of the Confederate States,  
saying that most of the troops at Harper's  
Ferry are provided with inferior arms, badly  
equipped, mean Commissaries. Flour \$25  
a barrel, and thinks the chances of a suc-  
cessful issue with the Federal Government  
very bad. He is determined, however, to  
stick to their evening fortunes, and believes  
in success by anything like an adequate  
amount of the federal forces upon Harper's  
Ferry must be successful.

The writer has seen twenty years service,  
and is considered an officer of great skill.  
The letter is dated May 8.

**FROM FORT PICKENS.**  
NEW YORK, May 10.—Fort Pickens is  
preparing to repel any attack. The seces-  
sionists have erected a new battery at Deer  
Point. They also commenced unroofing the  
battery of the navy yard, preparatory to  
an attack. It was rumored that their forces  
amounted to 6,000 men.

All was quiet at Key West. The St.  
Louis and Cranmer were there. Also the  
steamer Wanderer, which ran out under  
the guns of New Castle, during the  
night. She would leave soon, having ob-  
tained her papers.

**CONCENTRATION OF TROOPS AT  
REHAMA.**  
BALTIMORE, May 10.—Five thousand  
troops from Western New York are con-  
centrating at Elmira; they will reach here by  
Monday. The arrivals of unattached com-  
panies beginning on Monday are twenty-  
seven. At Camp Curtin about twenty com-  
panies have been accepted for three years'  
service. Confident expectation prevails in  
circles here that a battle will be fought be-  
tween Richmond and Washington within ten  
days.

**NEWS FROM THE GULF FLEET.**  
NEW YORK, May 10.—The Illinois has  
arrived from Port Pickens. She left on the  
evening of the 2nd, and Key West on the  
morning of the 9th. The Powhatan, Brook-  
lyn, Salton, Supply, Wyandotte and Water  
which were off Fort Pickens. The Mo-  
hawk left on the 1st for the coast of Texas.  
The schooner Egra Alwater, of New Haven,  
arrived on the 27th of April. A partial  
blockade exists at Pensacola. No munitions  
of war are allowed to enter.

**ANOTHER MILITARY DEPART-  
MENT ORGANIZED.**  
WASHINGTON, May 10.—In addition to the  
new military Departments of Washington,  
Annapolis and Pennsylvania, the States of  
Ohio, Indiana and Illinois will constitute a  
fourth, soon to be subdivided into several  
others, to be called the Department of Ohio.  
Major General McClelland, of the Ohio Vol-  
unteers, has been assigned its command with  
headquarters at Cincinnati.

**SHOOTERS ARRIVING IN KENTUCKY.**  
FRANKFORT, Ky., May 10.—A messenger  
has arrived from Owen county, saying that  
500 or 600 negroes, armed, had formed them-  
selves into a company, and were committing  
depredations. The whites undertook to dis-  
perse them, and several were killed. The  
messenger was shot. Another to ascertain the  
truth, and the military are in readiness.

**SAILING OF STEAMERS WITH PRO-  
VISIONS AND TROOPS.**  
NEW YORK, May 10.—The steamer Vol-  
canoes sailed with provisions for the Phila-  
delphia Navy Yard.

The 14th Regiment goes this afternoon in  
the James Adger. The Maryland is loading  
with provisions, and sails to-morrow.

**WAR APPROPRIATIONS IN NEW  
JERSEY.**  
TRENTON, May 10.—The Legislature passed  
the \$2,000,000 loan bill; also a bill author-  
izing the Governor to raise and equip four ad-  
ditional regiments and to purchase 10,000 stand-  
ard arms. The vote of both Houses was al-  
most unanimous in sustaining the President  
and pledging the entire resources of the State  
in putting down rebellion.

**TROOPS PASSING THROUGH BAL-  
TIMORE WITHOUT INTERUP-  
TION.**  
WASHINGTON, May 10.—A large train of  
cars arrived at two o'clock this morning, with  
troops, who uninterruptedly passed through  
Baltimore.

Larry Keys, of the N. Y. 7th Regiment,  
was killed yesterday by the accidental dis-  
charge of a gun.

**FORESTS ON FIRE NEAR HARPER'S  
FERRY.**  
BALTIMORE, April 10.—The special Freder-  
ick correspondent of the American, tele-  
graphs this morning that the mountain forest  
on the Maryland Potomac near Harper's Fer-  
ry was fired last night, and much valuable  
timber was destroyed.

**MOVEMENTS OF GEN. PILLOW.**  
CHICAGO, May 10.—The Tribune's corre-  
spondent says that Gen. Prentice has received  
positive information that General Pillow will  
charter the steamer Ohio Belle, Morris and  
Hill for an attack on Cairo.

**ARRIVAL OF THE VERMONT REGI-  
MENT.**  
NEW YORK, May 10th.—The First Ver-  
mont Regiment has arrived and is quartered  
in the barracks in the City Park.

**FIREMEN OFFERING THEIR SER-  
VICES.**  
PHILADELPHIA, May 10.—United States  
Engine Company offered their steam engine  
for the service of Washington.

**GENERAL BEAUREGARD.**  
NEW YORK, May 10.—Gen. Beauregard's  
official account of the bombardment of Fort  
Sumter is published to-day.
