We here at the Scroll would like to take this time to thank the people that have been doing the painting in the old wing.

They have been working night and day to make this institution a better place to live in, for all of us.

We realize the hard work they have been doing and feel that a job well done deserves a pat on the back. The inmates names are as follows;

DAVID PALMER.....DONNIE SMITH..... CARLOS DeCAMPOS
EDDIE WRIGHT.....CHARLES BUTLER.....AL CRADDOCK...ED JENNINGS..

So keep up the good work and I hope the inmates realize the hard work that you guy's have to accomplish, and give a little cooperation and consideration.

Thanks for making my time a little more pleasant.....

Only you can decide whether you want to give A.A. a try - whether you think it can help you. We who are in A.A. came because we finally gave up trying to control our drinking. We still hated to admit that we could never drink safely. Then we heard from other A.A. members that we were sick. (We thought so for years!) We found that many people suffered from the same feelings of guilt and loneliness and hopelessness that we did. We found out that we had these feelings we were sick with Alcoholism.

We tried and faced up to what alcohol had done to us. Here are some of the questions we tried to answer honestly. If we answered YES to four or more questions, we were in deep trouble with our drinking. SEE HOW YOU DO...Remember, there is no disgrace in facing up to the fact that you have a problem.

1. Have you ever decided to stop drinking for a week or so, but only lasted for a couple of days? YES() NO()
2. Do you wish people would mind their own business about your drinking - stop telling you what to do? YES() NO()
3. Have you ever switched from one kind of drink to another in the hope that this would keep you from getting drunk? YES() NO()
4. Have you had a drink in the morning during the past year? YES() NO()
5. Do you envy people who can drink without getting into trouble. YES() NO()
6. Have you had problems connected with drinking during the past year? YES() NO()
7. Has your drinking caused trouble at home? YES() NO()
8. Do you ever try get "extra" drinks at a party because you do not get enough? YES() NO()
9. Do you tell yourself you can stop drinking any time you want to, even though you keep getting drunk when you don't mean to? YES() NO()
10. HAVE YOU MISSED DAYS of work because of drinking?
11. Do you have BLACKOUTS?
12. Have you ever felt that your life would be better if you didn't drink? YES() NO()

WHAT'S YOUR SCORE???

Did you answer YES four or more times? If so, you are probably in trouble with Alcohol. Why do we say this? Because, thousands of people in A.A. have said so for many years. They found out the truth about themselves - the hard way. But again, only you can decide whether you think A.A. is for you. Try to keep an open mind on the subject. If the answers are YES, we will be glad to show you how we stopped drinking ourselves. All you have to do is to attend our weekly meeting on thursdays - held in the School. Contact your counselor by request....

At Bridgeport Correctional Center there are Library facilities available for both Sentenced & Pre-trial areas. If you wish to make use of what the library has to offer please follow the procedures established to insure easier distribution of books.

The collection of paperbacks available from the Library has been donated to the Center, by Rev. Frank Denton and Rev. Dennis Como - Also, credit should be given to Darien Bookaide, an organization which makes reading materials available to State Institutions without cost to the inmate. We here at the Institution are grateful for their un-ending donations and concern.

If you wish to borrow books, look for the library-cart which circulates through out the institution each Weekday morning and afternoon. You may borrow as many paperback books as you wish. We ask your cooperation in returning these books as you have finished them, or letting others read them so that as many books as possible will be available and in circulation. The Library-cart schedule is as follows:

PRE-TRIAL UNITS

MORNINGS:

AFTERNOONS:

MORNINGS:

AFTERNOONS:

If you wish to use our Law Library - fill out a Counselor Request form telling your counselor that you wish to use the Law Library. When utilizing the Law Library please bear in mind that this is your Law materials, and it's up to all concerned to care for the materials there...in the past these materials have been torn, mutilated, stolen, etc.. When you use a book or whatever materials - please return them as you found them, another inmate may need them to assist with his law work on his case. It cannot be stressed enough how important these materials are to those who seek legal-assistance.

Sentenced men will be called over the loudspeaker to come to the Law Library in the School Area - or a pass issued to the person requesting use of the law library. This procedure will apply to those residing in the East Wing. Pre-trial men will be called to the counseling area where the Law Library is located. As far as is possible you will be allowed whatever time you will need within the established Institutional Schedule. Materials in the Law Library may not be borrowed unless special permission has been given. Anyone found with or having materials that were removed from the Law Library without permission - is and will be subject to disciplinary report.

If you wish to borrow reference material other than Law Library materials, you should make out your request to the Librarian who will sign the materials out to you. The materials must be returned within one week to make it available to others. Periodically a list of reference material maintained in the Library will be published in the Scroll.

INTER-LIBRARY LOAN PRIVILEDGES: which enable inmates to have access to publications housed in Libraries throughout the state are available under the auspices of the **INTER-LIBRARY LOAN SERVICES** which is provided by the State of Connecticut Library.

If you wish to subscribe to or purchase a book, publication, periodical, newspaper, etc., fill out a request slip addressed to the Librarian. On the request slip put your name and the title of the publication or book which you wish to order. You must follow this step in order that the Librarian be able to determine whether the publication you wish to order is approved to come into the Institution. This step will save you the time and effort of ordering and paying for a publication only to find that it has been returned to the publisher. The rules are that no publication can come into

the Center if it concerns plans of escape, instructions for making drugs or poisons, instructions regarding criminal skills, construction of weapons or explosive devices, combat skills, advocates racial, religious, or national hatred, or disruption of the security of the institution. Thought of the week

God's Purpose With Man

Glory to God most High, full of Grace and Mercy; He Created All, including man. To man He gave A Special Place in his Creation.

He Honored man to be his agent, and to that End, Endowed him with understanding.

Purified his affections and gave him Spiritual insight;

So that man should understand Nature, understand himself.

And know God through his wonderous Signs, and glorify him in Truth, Reverence, And Unity.

Great Afro-Americans

Part 1 in a series of great Afro and Hispano Americans

by: Andy Posnaek

Famous quote;

FROM MY PRISON CELL, I HAVE WATCHED AMERICA SLOWLY COMING AWAKE. IT IS NOT FULLY AWAKE YET, BUT THERE IS SOUL IN THE AIR AND EVERYWHERE I SEE BEAUTY....Eldridge Cleaver.

BENJAMIN BANNEKER.....(1731-1806) Father was a slave but his mother was free. Invented the first clock that chimed. He published the first almanac on astronomy. Banneker was a great architect and President George Washington appointed him to the commission that planned Washington D.C.

FREDERICK DOUGLAS.....(1817-1895) Born a slave. He was a self-taught man. Frederick taught other slaves to read and write when he was sixteen. Frederick escaped to Philadelphia and from there he went to New York City. Fred's real last name was Bailey but he changed it to Douglas so his master would not find him.

Fred was in demand as a speaker about slavery and he wrote a book entitled "The Narrative of Frederick Douglass."

Fred moved to Rochester, New York, and started a newspaper called "The North Star."

Frederick Douglas and Abraham Lincoln were close friends.

Fred was appointed to the post of Marshal of the District of Columbia.

In 1889, Douglas was appointed to the post of Minister of Haiti.

HARRIET TUBMAN.....(1820-1913) Born a slave. She married John Tubman a free negro. Harriet felt that the escape to freedom was worth any price. She became a "conductor" on the Underground Railroad and helped so many slaves to freedom. She was called "Moses" by her people.

She was a nurse during the civil war. Skin color made no difference to Harriet. She made medicines from plants and roots.

She was a spy for the union army and helped soldiers rescue many slaves from Southern plantations.

In 1869 she returned to live in Auburn, New York, there she took care of the sick and poor in her own home.

JAN E. MATZELIGER.....(1852-1889) Jan became fascinated with machinery at an early age.

When he moved to Lynn, Massachusetts from Dutch Guiana in South America, he worked as a shoemakers apprentice.

On March 20, 1883, he was granted a U.S. patent for a machine that could put together 1000 pairs of shoes in one day where before it took a shoemaker one day to make only 6 pairs of shoes.

The design for Jan's machine are still used today.
