LEGAL ASSISTANCE TO PRISONERS. Free legal assistance to all inmates is provided throughout the Connecticut Correctional Center by an organization called Legal Assistance to Prisoners. (L.A.P.)

Attorney Randi Mezzy from L.A.P. visits our institution once a week to help the inmates with their civil and legal problems.

L.A.P. Cannot help inmates with criminal cases. These must go to the public Defenders Office or to private attorneys. You can contact Atty. Randi Mezzy by writing to her at the L.A.P. office, address: 340 Capitol Ave. Hartford, Connecticut 06115.

COOP SERVICES. The Coop Multi-Service Center is an agency that serves ex-offenders in the Greater Bridgeport area. The service provides, through staff or referral and job counseling, employment referrals, educational counselling, clothing and housing. The COOP deals with men and women presently incarcerated or recently released from a correctional center. They bridge the gap between the ex-offenders immediate needs and the communities resources. The goal of COOP is to help ex-offenders to help themselves. For more information, contact Rev. Smith - submit a request to your counselor.

11 PM - COUNT - This concerns ALL East Wing inmates - **READ THIS CAREFULLY.** Immediately following the 11 pm count, all inmates are expected to stay in their cells and to remain there for the entire evening. The only exception will be going to and from the lavatory or to inform an officer of something. Any inmate found out of his cell loitering, talking loudly, etc., will be subject to immediate disciplinary action. This comes directly from Warden Liburdi.

KATHY RICHER - is the drug counselor for the Regional Narcotics Program. She will be available in the New Building on Fridays from 8:30 a.m. to 3:30 p.m.

The Old Building schedule is as follows; Monday, Wednesday and Thursday, from 8:30 am to 3:30 pm. Tuesday, from 1 pm to 3:30 pm. One to one counselling and group counselling opportunities will be available to inmates.

MAIL FOR THE WARDENS. All mail or messages for Warden Liburdi or Deputy Wardens Gillis and Goldson is to be placed in the mailbox marked "COMMISSIONERS MAIL". These boxes are located where all other boxes for mail and requests are located. This applies to both the Old and New Centers.

FOOD IN CELLS. As per order of the Administration, no food is allowed in cells other than that which was purchased in the commissary. This rule will be strictly enforced by all Shift-Supervisors. Violations may result in Disciplinary action. The purpose of this rule is to cut down on possible health hazards. The exterminators are kept busy enough as it is.

CONTACT VISITS. Pre-trial visiting is extending a privilege to inmates in the pre-trial unit who meet the criteria specified in the New Inmate Handbook for contact visits. The visiting list for contact visits shall be reviewed by your Classification Committee at the time the inmate is initially cleared for contact visits. Any change will be permitted only through counselor referral to the Classification Committee. The lists will include immediate family and girlfriends only.

I.D. PHOTOS. You are required to have your identification cards on your person at all times during movement throughout the institution; whether going to visits or to employment areas, counselors offices, classification committee, dining hall, etc. Wear your I.D. card on your shirt pocket in plain view. Doing this will prevent any reprisals or disciplinary reports. No inmate will be allowed movement within the institution without his I.D. card. If you do not have an I.D. card - immediately inform your block C/O.

WEARING OF I.D. CARDS WILL BE STRICTLY ENFORCED.

questions on the nature of the charge and the appropriate
penalties which could result. His responsibility to you

LIBRARY NOTICE

The Bridgeport Correctional Center has library facilities available for both sentenced and Pre-Trial areas. If you wish to make use of what the library has to offer, please follow the procedures established to insure easier distribution of books.

The collection of paperbacks available from the library has been donated to the Center by Rev. Frank Denton and Rev. Denis Como. Also, credit should be given to Darien Bookaid, an organization which makes reading materials available to State institutions without cost to inmates. We here at the institution are grateful for their unending donations and concern.

If you wish to borrow books, look for the library cart which circulates throughout the institution each weekday morning and afternoon. You may borrow as many paperback books as you wish. We ask your cooperation in returning these books when you have finished reading them - or giving these books to other inmates so that as many books as possible will be available and in circulation.

LAW LIBRARY

If you wish to use the Law Library - fill out a Counselor Request Form asking your counselor for permission to use the Law Library.

When utilizing the Law Library, please bear in mind that these are YOUR law materials, and it is up to all concerned to care for the materials there. In the past these materials have been torn, mutilated, stolen, etc.

When you use books or other materials from the Law Library - please return them as you found them - another inmate may need them to assist with his legal work on his case. It can not be stressed enough how important these materials are to those who seek legal assistance.

Sentenced men will be called over the public address system to come to the Law Library which is located in the school building - or a pass will be issued to the person requesting use of the Law Library. This procedure will apply to all those who reside in the East Wing.

Pre-Trial men will be called to the counselling area where the Law Library is located.

As far as is possible, you will be allowed whatever time you will need within the established institutional schedule.

Materials in the Law Library MAY NOT be borrowed unless special permission has been granted. Anyone found with, or having materials that were removed from the Law Library without special permission, IS and WILL be subject to a Disciplinary Report.

If you wish to borrow reference materials other than Law Library materials, you should make out your request to the Librarian who will sign the materials out for you. The materials MUST be returned within one week to make them available to others. Periodically, a list of reference materials maintained in the library will be published in The Scroll.

INTER-LIBRARY LOAN PRIVILEGES: which enable inmates to have access to publications housed in the libraries throughout the state are available under the auspices of the INTER-LIBRARY LOAN SERVICES which is provided by the State of Connecticut Library.

If you wish to subscribe to, or purchase a book, publication, periodical, newspaper, etc., fill out a request slip addressed to the librarian. On the request slip put your name and the title of the publication or book you wish to order. You must follow this step in order for the Librarian to determine whether the publication you wish to order is approved to enter the institution. This step will save you time and effort in ordering and paying for a publication only to find that it has been returned to the publisher.

The rules are that no publication may come into the center if it concerns or contains plans of escape, instruction for making drugs or poisons, instructions regarding criminal skills, construction of weapons or explosive devices, combat skills, advocates racial, religious, or national hatred, or disruption of the security of the institution. The acceptability of any publication will be subject to a review by the Library Committee.

Words of Inspiration

Submitted by:
Andrew Posnack - Editor

The following are the translated fragments of the scrolls found several years ago by a young shepherd in the Gulf of Aqaba. I trust that they will have as profound an effect on you as they did me .

And the Lord made a bet with Satan to test Job's loyalty and the Lord, for no apparent reason to Job, smote him on the head and again on the ear and pushed him into a thick sauce so as to make Job sticky and vile and then He slew a tenth part of Job's kine and Job calleth out: "Why doth thou slay my kine? Kine are hard to come by. Now I am short kine and I'm not even sure I know what kine are." And the Lord produced two stone tablets and snapped them closed on Job's nose. And when Job's wife saw this she wept and the Lord sent an angel of mercy who anointed her head with a polo mallet and of the ten plagues, the Lord sent one through six, inclusive, and Job was sore and his wife angry and she rent her garment and then raised the rent but refused to paint.

And soon Job's pastures died and his tongue cleaved to the roof of his mouth so he could not pronounce the word "frankincense" without getting big laughs.

And once the Lord, while wreaking havoc upon his faithful servant, came too close and Job grabbed him around the neck and said, "Aha! Now I got you! Why art thou giving Job a hard time, eh? Speak up!"

And the Lord said, "Er, look - that's my neck you have... Could you let me go?"

But Job showed no mercy and said, "I was doing very well till you came along. I had myrrh and fig trees in abundance and a coat of many colors with two pairs of pants of many colors. Now look."

And the Lord spake and his voice thundered: "Must I who created heaven and earth explain my ways to thee? What hath thou created that thou doth dare question me?"

"That's no answer," Job said. "And for someone who's supposed to be omnipotent, let me tell you, 'tabernacle' has only one 'l'". Then Job fell to his knees and cried to the Lord, "Thine is the kingdom and the power and glory. Thou hast a good job. Don't blow it."

A Brief Lesson on Frugality

Submitted by:

Andrew Posnack - Editor

As one goes through life, it is extremely important to conserve funds, and one should never spend money on anything foolish, like pear nectar or a solid gold hat.

Money is not everything, but it is better than having one's health. After all, one cannot go into a butcher shop and tell the butcher, "Look at my great suntan, and besides I never catch colds," and expect him to hand over any merchandise. (Unless, of course, the butcher is an idiot.)

Money is better than poverty, if only for financial reasons.

Finally, let us bear in mind that it is easier to spend two dollars than to save one. And for God's sake don't invest money in any brokerage firm in which one of the partners is named Frenchy.

A Brief Lesson on Youth and Age

The true test of maturity is not how old a person is but how he reacts to awakening in the midtown area in his shorts. What do years matter, particularly if your apartment is rent controlled? The thing to remember is that each time of life has its appropriate rewards, whereas when you're dead it's hard to find the light switch. The chief problem about death incidentally, is the fear that there may be no afterlife, a depressing thought, particularly for those who have bothered to shave. Also, there is the fear that there is an afterlife, but no one will know where it is being held. On the plus side, death is one of the few things that can be done as easily as lying down.

Consider, then: Is old age really so terrible? Not if you've brushed your teeth faithfully! And why is there no buffer to the onslaught of the years? Or a good hotel in downtown Bridgeport.

In short, the best thing to do is behave in a manner befitting one's age. If you are sixteen or under, try not to go bald. On the other hand, if you are over eighty, it is extremely good form to shuffle down the street clutching a brown paper bag and muttering, "The Kaiser will steal my string." Remember, everything is relative - or should be. If it's not, we must begin again.

SPORTS RAMP

THEY, RE A TEAM NO MORE BUT WILL BE FRIENDS FOREVER,, U.S. HOCKEY TEAM, WINNERS OF GOLD

It is useless to mention the praise the U.S. Hockey team has brought to us as the winners of Gold in the recent Olympics game held in Lake Placid N.Y. After playing together for almost seven months in exhibition games and then taking the world by surprise by winning the team do deserve the praise of all Americans. Many of the new National heroes met with President Carter to receive even a higher praise of Honor. The team was made from young men from all over the United States, and was just super as they came together as a team and defeated all other teams in the games. Many members of this team will be playing in the NHL very soon. Mike Ramsey was the No. 1 draft choice of the Buffalo Sabres last year, Rob McClanahan and Eric Strobel also belong to Buffalo, Christian went No. 2 to Winnipeg in last years draft, Mark Johnson goes to Pittsburgh, Jim Craig to Atlanta, Dave Silk to the N.Y. Rangers, Ken Marrow to the N.Y. Islanders, Jack O'Callahan to Chicago, Bill Baker and Mark Wells to Montreal, Neal Broten, Harrington, Phil Verchota and Steve Christoff to Minnesota and Bob Suter to Los Angeles. Buzz Schneider, who twice scored two goals in a game during the tournament, is reportedly headed for Europe, while others like Mark Pavelich and Steve Janaszak, will try to make their own deals. All in all they are one hell of a team, and has admitted that the games did start in frustration but ended in happiness. Eric Heiden, 21 year old from Madison Wis. won a record five gold medals in speed skating, this was the first year since 1960 that the U.S. has won the gold medal in hockey. The overall standings as far as medals goes are, U.S. 12 medals six gold East Germany topped the medal list with 23, while the Soviet Union led in gold with 10. so the winter games has ended and we await the decision to whether or not we will compete in the summer games that is schedule to be held in the Soviet Union.

Everything you never gave a damn about and were
" THE MAKE BELIEVE GHETTO "

As I begin this poem on the make believe world, inwhich many of us have been force
 into believing that it is a fraction of a lower class of people, THE GHETTO
 I reminisce on saturday nights, holidays, and even everyday chores of my people being
 extorted by a system, to spend heavy amounths of money for cloths that are really
 second handed, THE GHETTO
 Of children coping out, cause their fathers has left home, or Momma seems to drown
 her problems in a fifth of Vodka, my sister is shooting dope cause the man she loves
 is leaving her and her child, THE GHETTO
 Where police brutality is as common as the cold, where welfare lines extend from here
 to west hell,-young sisters being weaken to believe that the \$ 3,500 receive from
 welfare is enough to live on, THE GHETTO
 Where cries of pain and hunger can be heard so clearly, men, women, and babies, weeping
 for what has become more than a problem, but what has become a dangerous physical
 and mental condition, thrown upon us, THE GHETTO
 Where we once dream as children of growing up to become somebody, only to be misguided
 by system hired guidance counselors, whom made us believe that our particular field
 of study isn,t suited for someone from, THE GHETTO
 Into the mainstream of life many can walk, but only to the beat of their own guidance
 as a person and the value of life to them, You see the GHETTO was invented as a MAKE
 BELIEVE WORLD for many who are weak enough to believe that it is their paradise of
 ever lasting life, But NO! THE GHETTO is a make believe world, for those who lifes
 are MAKE BELIEVE.
