## The Extra Mile

Malcolm E. McGray

Going the "Extra Mile" seems to be a prerequisite for all the leaders of Society. Developing such beneficial trait demands a great amount of concentrated effort and determination from those developing this trait.

In order for those who have little knowledge of the highly geared life of a leader in society and to begin to understand it, he or she must expose themselves to people who are great leaders today.

Learning how to go the extra mile is one of many goals in the lives of ambitious people. There are many good leaders, right now, living in our community. One of the avenues that lead to a large amount of understanding in this area, and knowledge, is the Jaycees.

Five important questions that leaders in society are faced to deal with, accept and execute on opinions are:

- A. Do you make a habit of rendering more and better service than you are paid for?
  - B. Do you know when an employee is entitled to more pay?
  - C. Do you know of anyone who has achieved success in any calling without doing more than he is paid for?
  - D. Do you believe anyone has a right to expect an increase in salary, unless he is doing more than he is paid for?
  - E. If you were your own employer, would you be satisfied with the sort of service you are now rendering as an employee?
- (Above questions excerpted from "Success Through A Positive Mental Attitude". Pages 128 through 132.

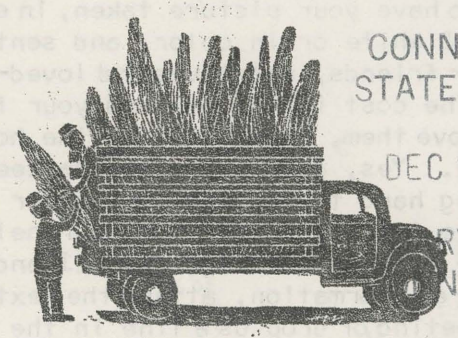

Do you need a greater insight into the above mentioned facts? Are you satisfied with your environment? If you lack many of the demands, as I do, why not begin right now to search for ways of betterment? Sharing ones time does not demand much from an individual. But the rewards of such an act are there to be found.

Developing this trait of going the "extra mile" takes time. The experience one can gain from being an active Jaycee can help you, as it has helped me, in understanding the "extra mile".

In closing, I leave you with a simple philosophy that lead a poor Scottish immigrant boy to become the richest man in America. His inspiring story and motivating philosophy are found in the Autobiography of Andrew Carnegie.

Anything in life worth having is worth working for!! Contact a local member of the Jaycees and inquire useful ways available to you, so you can learn what it means to go the EXTRA MILE.

ARTICLE 1 - Concepts Of Man As Applied To Education.

E D U C A T I O N

1. Concept of damage i.e. A man is not responsible except with premeditated intention to harm.
2. Everyone is liable, whether the act was intended or not. Hence, bodily harm, property damage makes the guilty one, the one who inflicts it, responsible. What difference does it make whether it was premeditated, or accidental, the damage is done. The plain fact is that responsibility is on every human being to watch both his physical body as well as his property from harming others. Hence, if one starts an act which might be damaging to others, and later when the man was drinking or sleeping, inadvertently continued and surely damaged others, he is liable. If by opening the barn door, he let's loose a bull, which did damage, he cannot escape responsibility by saying the bull did it voluntarily.

Education in a sense has the same approach, those who think only in terms of training should understand that this compartmentalizes man into a being whose intentions are on a mechanical level. Those who are interested in humanity, look on man as not just another cog in the wheel, but a full personality. The goal of Education is man's acceptance of this responsibility, by development of his personality.

Thanks to the Jaycees, you are now able to have your picture taken, in either black & white or in color, and sent home to your friends, relatives and loved-ones.

The cost is minimal and your family will love them, especially for the holiday season. Yes, gentlemen, the Jaycees are working hard to make this a better place to live in, and we can use your help, if you are between the ages of 21 and 35.. for more information, attend the next Jaycee meeting or drop us a line in the Jaycee letter box in the main hall.

Thank you, Ruben Cardona

IF THE SHOE FITS, WEAR IT!

Inmates, I usually would address my articles "gentlemen", but at this time it isn't appropriate.

First off, I want to state that the Country and Western show that was brought to us this past Tuesday evening, was very entertaining, and brought enjoyment to a few inmates, as well as myself.

I think of all the trouble that the Jaycees, Hank Cee and Rick Shea went through to bring a show to this prison for the enjoyment of the inmates. Hank Cee and Rick Shea, from radio station WWCO, also took into consideration that the appearance of a young lady would enlighten the hearts of many men who have been away from their homes and families for a long period of time. But it makes me feel a little "sad" to know that these people came to us, knowing that they weren't receiving any money. The only thing that they were seeking was the satisfaction of seeing the men in this prison enjoy themselves for a little while. But, the only thing that they could see was the "savages" or "animals", not yet tame enough to be released from their cages. NEED I SAY MORE??? Not all the inmates reacted in this manner and for those, I apologize wholeheartedly.

**TROJANS TAKE  
PAUL'S ALLSTARS  
LOSE TO GLASTONBURY  
JETS**

Last week the Trojans played two games and split, bringing their record to 4 wins against 2 losses, in practice games for the year. The first game was played on Monday, the 24th., of Nov. and this game went to the Trojans 85061 over a team by the name of Paul's AllStars. The Trojans were too fast and had too much height for this completely out-classes team. The boards were completely dominated by the Trojans as they picked off 68 to only 40 for Paul's. Perkins was again high rebounder, as he collected 21 for the Trojans. Ryant chipped in with 9.

Leading by only two points at half-time, the Trojans went to work in the third period and turned the surprisingly close game into a rout out scoring thier opponants by 11 to go in the fourth period leading by 13. The fourth period was much the same, as the Trojans never let up and scored 29 to 18 by Paul's.

Pauls had 10 fouls on them, the Trojans had 9. Both teams hit just under 50% at the foul line, as the Trojans had 7 of 15, and Pauls hit on 5 to 11. From the floor the Trojans took 102 shots and hit 39 for a percentage of 38%.

Harrel had 25 points to lead the Trojans. Anderson 19, Tinsley 10, Palmer 8, Perkins 7, Ryant 4, Holloway 3, Murray, Masi, Robinson and Santos 2 each. Banks had 1 point. One of the outside players by the name of Johnson had 31. He was their center.

**BASKETBALL**

The second game played by the Trojans was on Wed. the 26th. of Nov. against the Glatsonbury Jets. The final score read, Jets 108, Trojans 99. This 99 points scored by the Trojans was their highest output this year, for one game and could well have won about any game, but the Jets scored a few more. The Trojans played this game real well and are now starting to play together.

I would have to say the game was won at the foul line, as the Jets hit on a fantastic 15 of 17 shots. The Trojans managed only 13 out of 22. From the floor the Trojans hit 42 of 112 shots and a percentage of 38%. The Jets were guilty of 15 personals....the Trojans 13. In rebounds the Trojans had 55 while the Jets had only 41. The reason the Trojans had more rebounds, was due to the fact that they shot and missed and rebounded their own shots all night.

Harrell was high scorer for the evening with 36 points. The two forwards for the Jets...Voit & Sidat had 34 and 30 points respectively. Tinsley had 12 rebounds, Murray 11, and Harrell 9. Others scoring for the Trojans were Palmer and Anderson, 11 each. Tinsley and Purvis 10 each. Murray had 9, Masi 8 and Robinson 4..

## Do you know what he's talking about?

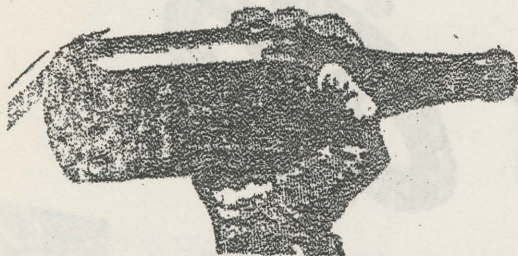

### THE RENAISSANCE PHILOSOPHY

AFTER TIME AND SPACE WE HAVE ARRIVED HERE TOGETHER TO SHARE IN THE BELIEF THAT THERE ARE NO GAINS WITHOUT PAINS, THAT TO ENDURE THROUGH LIFE, WE MUST STRUGGLE TO MEET THE CHALLENGES, STAND TALL AND STRAIGHT IN THE FACE OF OUR OWN WORST ENEMY.....THAT WHICH KEEPS US CLOSED, IGNORANT, FRIGHTENED AND ALONE.

WE BELIEVE THAT EACH OF US CAN, WITH TRUST IN AND LOVE FOR THE FAMILY OF MAN, TRIUMPH OF THAT ENEMY WITHIN, THAT IN OUR DEVELOPMENT WE SHALL MOVE TOWARD AND ACHIEVE THE SUMMIT OF HUMAN DIGNITY, THAT WITH DEDICATION AND COMMITMENT TO THE COMMON GOAL THERE COMES THE ULTIMATE ARRIVAL OF PEACE AND TRANQUILITY, THE UNDERSTANDING THAT WHEREVER WE SOUGHT OUR PLACES WE FOUND NOTHING UNTIL WE FOUND OUR BRETHREN, AND THEN WE FOUND MEANING, WORTH AND OURSELVES; AND WE BECAME DEDICATED TO THE BELIEF THAT, IF YOU TREAT A MAN AS HE IS, HE WILL STAY AS HE IS, BUT IF YOU TREAT HIM AS IF HE WERE WHAT HE OUGHT TO BE AND COULD BE, HE WILL BECOME AS HE OUGHT TO BE AND COULD BE.

( THE ABOVE IS NOT ONLY APPLICABLE TO DRUG ADDICTS, BUT TO ALL MEN IN GENERAL WHO HAVE NOW FOUND THEMSELVES ON THE SHORT END OF THE STICK, WHETHER BY THEIR OWN DOINGS OR NOT, ESPECIALLY THE LAST PART CAN BE PUT TO USE, NOT ONLY BY US, BUT ALSO BY THOSE WHO ARE IN A POSITION OF AUTHORITY OVER THIS PORTION OF OUR LIVES. )

## GIANTS ROLL OVER COLTS BY A 52-0 SCORE

The Giants who just last week ran up the highest recorded shutout ever here at CCI, broke their own record by white washing the Colts, 52-0. Last week they beat the Packers, 48-0. For the Giants this was their fifth shutout out of 6 games played. Only the Packers managed to score 6 points against them during the year. In an awesome display of power, the Giants scored at will almost every time they got the ball.

On the first play of the game after the Giants kickoff, the Colts fumbled to the Giants. One play later, the Giants Santos on an option play threw a 55 yard bomb to Lucas, who carried the ball into the end-zone, for the score. Fourty two seconds later, on another Colt fumble it was Shelton on an 8 yard gallop for another Giant score. Later on in the period Shelton scored again on a 5 yard run around end. Tinsley hit Lucas on a pass for the extra-point, and the first quarter ended with the Giants out front 20 to nothing.

Midway in the third period Shelton scored again on another end sweep. Tinsley threw a pass to Hewitt for the extra point and the Giants were ahead at halftime by the score of 28-0.

In the third period the Colts came to life momentarily as their defense blitzed Tinsley repeatedly while dropping the big quarterback for big losses. This was brief though as the Giants retaliated by getting Santos loose on a 32 yard run and another score. Three and a half minutes later, Santos went up the middle for 8 more yards and another Giant score. Santos also ran the extra point in and the third period came to a halt with the score Giants 36-0.

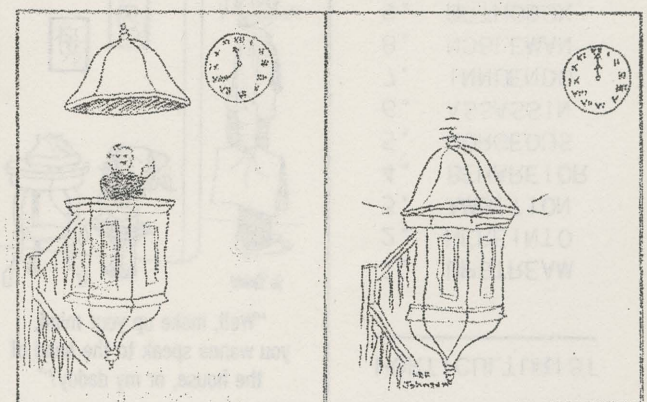

The fourth period was again all Giants as Hewitt intercepted a pass and returned it back 20 yards. Ellington also picked off a Colt pass. Santos scored twice, once on a 52 yard run along the sidelines and another on a run up the middle for 20. Lucas and Hewitt scored points after, to round out the scoring. Santos ended up

with 136 yards on 8 carries. (In last weeks Scene the record yardage by an individual should have read 220 yards, not 120 yards, as indicated, and is held by Larry Sykes, for one game back in 1964. Sorry Fellows, my mistake.) Santos also scored 4 touchdowns. He has now 12 on the year. Shelton had 32 yards on 8 carries and three touchdowns. Scott had 33 yards on 8 carries. Lucas caught 3 passes good enough for 70 yards. He had one T. D. and scored 2 times on points after touchdown. Tinsley was thrown for minus 16 yards losses, He also hit on 2 of 5 passes for 15 yards. Bolding was the only offense the Colts had all day as he gained 10 yards on 8 carries. In all the Giants gained 185 yards on the ground and 70 in the air for a total of 225. The Colts were held to minus 7 yards for the day. The Giants had 9 first downs. The Colts none. Thirty yards in penalty were assted on the Giants. The Colts had 10 against them. The Colts lost the ball 4 times on fumbles...the Giants 2 times. On a good note of defense by the Colts, Harvey intercepted a Tinsley pass in his own endzone preventing another Giant score in the fourth period.

Final statistics will be printed in the Scene at a later date.

TITLE TANGLE

Ruben Cardona

The answer is an anagram of the phrase, given, and the poem contains further clues. Answers are at bottom of page.

"I TRUST RICH LOUT"

He knows their scientific names,  
How to feed or employ them,  
But by their simple, friendly names  
I know them and enjoy them,  
And so, by loving name or genus  
In colorful procession,  
They have a happy time between us.  
What is his profession?  
It's in the title, re-arranged  
And into one word neatly changed.
