PARDON BOARD

Spring Session

APPLICATIONS: All inmates who are planning an appearance at the next sessions are encouraged to submit their requests to SUPERVISOR OF RECORDS, at their respective institutions. Your request should be submitted immediately, if possible, and inmates are reminded that the last day for submitting requests is February 13, 1981.

After having submitted your request, you will be sent (3) three copies of the Board of Pardons Petitions. You must fill these petitions out completely and return (2) two copies as soon as possible to your Record Office for scheduling of your appearance. Retain (1) one copy for your records.

APPLICATIONS RESULTING IN A STARRED (\*) CASE: Under the established rules of the Pardon Board, cases are rarely heard if the petitioner has: 1) Appeared within the year. 2) Served less than one year. This one year cannot include jail time. 3) Appeared or was eligible for parole. A starred case in one of these categories is very rarely heard, therefore, by waiting for a regular session, not only are inmates saved the labor of preparing required letters, but friends and lawyers, prison staff, State's Attorney and Board members are spared the effort which should be given to the regular petitioners. It is suggested that before undertaking the task of a starred case, an inmate should seek the advice of the prison staff which is readily given.

Neither the Department of Correction nor the Pardon Board will assign Attorneys. Each inmate must retain his own council.

JUNTA DE PERDON

LA SESION DE PRIMAVERA

PETICIONES: Todo preso que piense presentarse en las próximas sesiones deben someter sus solicitud inmediatamente, si es posible, y se les recuerda a los presos que el último día para someter las solicitudes es el de 13 Febrero 1981.

Después de haber sometido su solicitud, usted recibirá (3) tres copias de la Petición de junta de perdón. Tiene que llenar estas peticiones completamente y devolverlas lo más pronto posible a su oficina de Archivos para fijar la fecha de su audiencia. Retenga una copia como referenica personal.

SOLICITUDES QUE RESULTAN EN UN CASO MARCADO (\*): Baja las reglas establecidas de la junta de perdon, rara ves se oyen los casos si el solicitante haya: 1) Aparecido dentro del año. 2) Servibo menos de un año. Esto no puede incluir tiempo de cárcel. 3) Aparecido o sido elegible para libertad bajo palabra. Un caso marcado en una de estas catergorías my rara ves llega a ser oído, y por eso, al esperar la sesión regular, el preso evitará el trabajo innecesario de preparar el papeleo: y las amistades, los abogados, personal de la prision, la oficina del fiscal, y los miembros de la junta podrán dar mejor atención a los solicitantes regulares. Por lo mismo, se sugiere que antes de someter una petición en un caso marcado, el preso debe petir consejo de algún miembro del personal.

Ni el Departamento de Corrección ni las Junta de Perdón asignará abogados. Cada preso tiene que conseguir su propic abogado.

"I Shall Not Pass  
This Way Again"

Through this toilsome world,

alas!

Once and only once I pass;

If a kindness I may show,

If a good deed I may do

To a suffering fellow

man,

Let me do it while

I can.

No delay, for it

is plain

I shall not pass

this way

again.

"The Joy of Unselfish Giving"

Time is not measured

by the years that you live

But by the deeds that you do

and the joy that you give-

And each day as it comes

brings a chance to each one

To love to the fullest,

leaving nothing undone

That would brighten the life

or lighten the load

Of some weary traveler

lost on life's road-

So what does it matter

how long we may live

If as long as we live

we unselfishly give

By-Helen Steiner Rice

"Your Own Version"

You are writing a Gospel,

A chapter each day,

By deeds that you do,

By words that you say.

Men read what you write,

Whether faithless or true;

Say, what is the Gospel

According to You?

By--Paul Gilbert

"Look To This Day"

Look to this day,

For it is life,

The very life of life.

In its brief course lies all

The realities and verities

of existence,

The bliss of growth,

The splendor of action,

The glory of power-

For yesterday is but a dream

And tomorrow is only a vision.

But today, well lived,

Makes every yesterday a dream

of happiness

And every tomorrow a vision

of hope.

Look well, therefore, to this day.

By-Sanskrit Proverb

"The Human Touch"

'Tis the human touch in this world

that counts,

The touch of your hand and mine,

Which means far more to the fainting

heart

Then shelter and bread and wine;

For shelter is gone when the night

is over

And bread last only a day,

But the touch of the hand and the

sound of the voice

Sing on in the soul ALWAYS.....

By-Spencer Michael Free

"Prayer"

I do not ask to walk smooth paths

Nor bear an easy load.

I pray for strenght and fortitude

To climb the rock strewn road.

Give me such courage I can scale

The hardest peaks alone

And transform every stumbling block

Into a stepping stone.

By-Gail Brook Burket

## LAS HURTES BLANCAS

Es el angel, sutil como el ambiente;  
como flor de los tropicos, fragante;  
como linfa de lago, transparente:  
radioso de fulgor, como el diamante.

Vestido con estola nacarica,  
dibijado en el aire, senajaba  
La imagen que en el agua cristalina,  
copiando un ser fantastice, se graba.

Brillante como el ebano brunido  
en que el Sol de Libia reverbera,  
descansan en el hombro esclarecido  
Los bucles de su riza cabellers.

Y parece del angel hechicero  
Los ojos inspirados con que mire,  
dos Arcturus, cógidos al Boyero,  
o dos Vegas, quitadas a la Lyra.

No la tinta venusta de la grana  
el sabio sonreido le colora,  
ni la rosa de Venus, la pagana,  
confunde sus mejillas con la Aurora.

Es el rostro del angel de la muerte  
mas nitido que al Alba todavia,  
presagio singular que nos advierte  
que detras de la tumba, raya el dia.

COQUI

Huesped de la nocturnas soledas,  
nos viene de la azul noche taina.  
En exilio su agudo canto afina  
oir montanas, poblados y ciudades.

Hay en su voz sonoras suavidades.  
Hay soledad y una tristeza fina,  
que multiple, ligera y argentina,  
a la noche demanda claridades.

Coqui coqui, que canto desvalido  
La sombra en su misterio persevera  
a travez de esa voz y ese sonido.

Y es como sù do pronto, toda entera,  
presa en la voz coqui, contra el olvido,  
a la azul noche indigena volviera.

## TIERRAS DE MI CORAZON

Tierra de mi corazon  
novia en prohibida ventana,  
mi amor es aire y gutarra...  
Tierra de mi corazon.

Va ni canto a ti paloma  
en soleado paraiso,  
mi canto en ti se deshizo  
en azucares de amor.

Tierras de mi corazon...

Abre azules millas mar  
entre mi pie y tus arenas.  
El pobre! Ni puede, penal  
librarme de su pena....  
es, tu penar, mi dolor...  
Tierras de mi corazon.

Palmeras de mi nativo  
pais, sobre la esmeralda  
de los campos frorecidos  
sois flechas de amor; herido  
estoy de vuestra pasion.

Tierras de mi corazon.

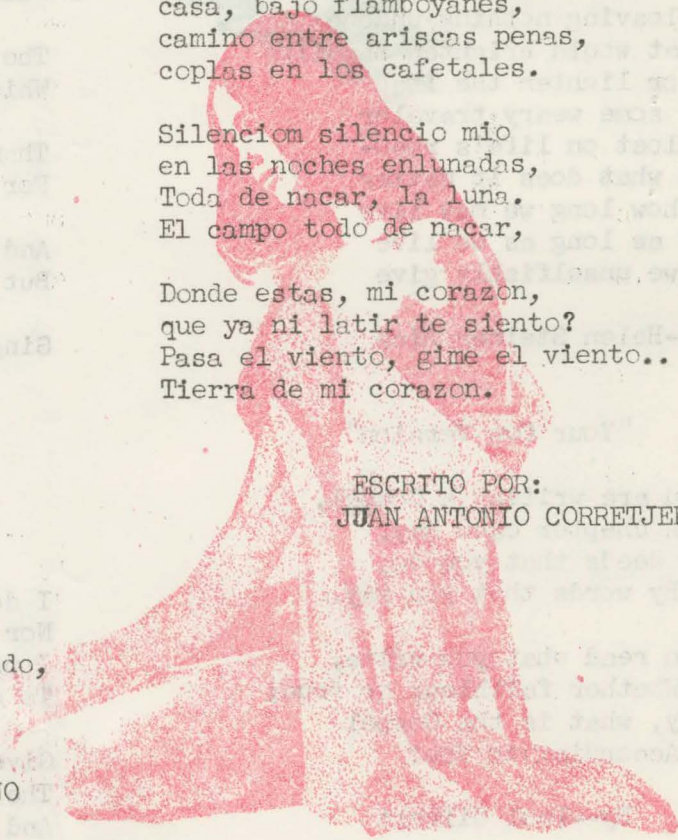

Lejana aldeam querida  
casa, bajo flamboyanes,  
camino entre ariscas penas,  
coplas en los cafetales.

Silenciom silencio mio  
en las noches enlunadas,  
Toda de nacar, la luna.  
El campo todo de nacar,

Donde estas, mi corazon,  
que ya ni latir te siento?  
Pasa el viento, gime el viento..  
Tierra de mi corazon.

## THE HEAVEN OF ALLAH

When we talk about Allah, we are talking about a real God, not an unreal God. Allah, God, is the power that is natural in the world, but He is so Supreme that our limited minds cannot grasp His power in its entirety. We can only grasp a part of it. God is the natural force in the heavens and in the earth that was here before the heavens and before the earth. Because that force was here before creation, it was able to produce other things. That same power is present today in my body, in your body, in the earth, in the sun, in water, in the air and everything that exists. Allah is in fire and He is in corruption, but He is not corrupted nor is He burned. That is proof of the strength of God. Allah is the God that can present with the enemy or with the corruption and yet remain pure and untouched by it. Allah is in everything, even death, but he is not affected by anything, because everything that exists outside of Himself, exists by His permission and everything got its start from Him. A thing may get off on the wrong path and it may turn into something foreign and monstrous to what God started it to be. But, nevertheless, because He started it and because he holds the life string on it, it cannot go any further off the path than He wants it to go. There was never a time and there will come a time when Allah will be upset or disturbed or worried over anything. He cannot be moved nor can He be affected. He created emotion, but He is not emotion. He created reason, but He is not reason. He created sentiment, but he is not sentiment. Allah created all these senses to bring you to Him so that you could share in the great wonders that He brought about by Himself. That is a wonderful and a generous God. Allah is a God that creates something and then appreciates what He has created. He creates something from nothing, but He is not satisfied just to let it live and not come into the great wonders of creation. Allah keeps moving His creation. He will whip him, turn him around, destroy him, bury him and then raise him up again. Allah does this to show His creatures, His great wonders so that His creatures will come into a life that will make their life, his struggles, and his hardship all worthwhile. The Holy Qur'an says; "Verily we have created man into toil and struggle." The Holy Qur'an also says that for the true believer there is no fear nor is there any grief. Brother, I want you to know that my life is heaven and yours will be heaven too, if you will only believe in the truth of Almighty God. What I am telling you is that you can have heaven while you live. That is what the Prophets of God have always told the people. God, the Creator of the heavens and the earth, is not weak and limited, that He would have to wait until you are physically dead to put you in heaven. Heaven is something that you come into while you are living so that you will survive the death of the body. But if you do not come into heaven while you are living in the physical body, you will never come into it. Your body is your contender and this physical world is your contender. God has placed you in the physical body in this physical to contend with these things. If you let them overcome you, you have lost everything.

THE HEAVEN OF ALLAH (Continued)

Then your contenders will be the victor, so the victor takes the praise. The physically dead body takes you down to the ground with it and you never come back again in the same physical body. But if you rise above gravity of the physical (the gravity of the material, physical world) in this life, you have conquered the physical body while you were in it. How, then, can it conquer you when it is dead? I know that when you are physically dead you still have an existence, but I want you to believe it.

EULOGY

For The Honorable Mr. Elijah Muhammad

(1) Death has no sting for pride givers,  
builders of men; strong, brave  
Creators of nations.  
You stand tall above him although  
you lie in sleep, death has no  
weapon lethal enough to kill your  
spirit.

(2) You taught us how to give up the  
alcoholic drink; turn from the  
reefer and the dope needle.  
You showed us the filth of the pig.

You taught us to respect each other;  
stop chasing and defiling our women;  
You brought us to the core of Black Love.

So again we turn to you, for a beacon shining.

Our sun is up today, we see the morning  
with you we go forth, to our tallest noon;  
All praises is do to Allah-In the person of  
Master Fard Muhammad- peace and blessings be  
upon our "Spiritual Father" The most Hon.  
Mr. Elijah Muhammad.

### HOCKEY TRADE

### BASEBALL SIGNING

Jose Morales was signed by the Orioles to a 3 year pact. He's a catcher and a designated hitter who is a right hander with some power. The Orioles hope he'll take up the slack that was caused when Lee May signed with the K.C. Royals.

### CAST

Doris.....Maureen Teefy  
 Ralph.....Barry Miller  
 Montgomery.....Paul McCrane  
 Coco.....Irene Cara  
 Leroy.....Gene Anthony Ray  
 Mrs. Sherwood.....Anne Meara

In the group are Doris, a sheltered, quasi-talented girl with an overbearing stage mother, who comes out of her shell during her years at the school; Ralph, a wild clown with a cruel streak, who worships the late Freddie Prinz; Montgomery, the neglected, homosexual son of a famous actress; Coco, an ambitious singer determined to team up with musical Bruno, an introverted composer who just may be ahead of his time; and street-wise Leroy, an illiterate dancer who indirectly enrolls in the school and becomes a permanent antagonist to English teacher Anne Meara.

Other students are also involved in the stories—some major, some minor—and they all make lasting impressions, thanks greatly to the work of director Alan Parker ("Midnight Express").

 O'Connor Flood.....Ben Vereen  
 Michelle.....Erzsebet Foldi

It's not your usual bright-lights-and-tap-shoes movie musical, but thank God it's not. Dance is shown as it's rarely shown in a movie musical. It's still beautiful, sensuous and exciting, but it's also depicted as work—hard, sweaty, exhausting work.

## He Knows Your Alone

*Starring Paul Le Mat, Mary Steenburgen, Jason Robards, Michael J. Pollard, Pamela Reed and Dabney Coleman.*

*Produced by Art Linson and Don Phillips. Directed by Jonathan Demme. Written by Bo Goldman.*

The characters are portrayed very broadly, and writer Bo Goldman probably played fast and loose with the facts, but it makes for a very funny—if somewhat aimless—movie. There's not much to hold together the vignettes from the Dummars' lives except for the desire one has for these likeable people to finally be successful at something.
