Valuable Dyes for Cotton. It has always been difficult to color cotton goods so they would not fade, but recent discoveries have added several new fast dyes for cotton—pink, purple, orange and garnet—to the list of Diamond Dyes. They make fast and beautiful colors that are brightened and improved when washed with soap. These fast cotton dyes are only found in the Diamond, so refuse other makes.

AFRAID SHE WOULD DIE.

Her Attacks Were so Severe; She Stood Them Over Four Years; Tried Doctors and Patent Medicine With No Success; Now Miss Walker Says Dr. Roth Has Cured Her of Dyspepsia, Nervous Prostration and Catarrh—Gained 23 Pounds—Cured to Stay Cured.

I suffered over four years. I tried everything and everybody. No one did me any good until I went to Dr. Roth, so I said Miss Mary Walker, of 75 Clay street, Contra Falls, N. Y.

I began to feel better from the first week of Dr. Roth's treatment. My attacks of indigestion

WOULD last six weeks at a time; pains all over me; palpitation of the heart. I have been afraid I would die during those spells; no appetite; could not eat; when I did I got sick and belched and had a taste of food; headache all the time; tired and nervous don't describe it; when I was at home I should cry; buzzing and ringing in ears; would catch cold easily; lost weight and strength; gave up all hopes of getting well; now say Dr. Roth cured me; advise others to consult him. I made the above statement August 30, 1890, nine months ago, and can now say I am permanently cured. MISS MARY WALKER, May 17, 1891.

DR. EDWARD ROTH, graduate of Bellevue Hospital Medical College, graduate of New York College of Pharmacy. OFFICE PERMANENTLY LOCATED In the Clark Building, Nearly Opposite the Post Office, 87 Church Street. Special treatment for CHRONIC DISEASES. Catarrh Cured and All Diseases of the Nose, Throat, Lungs, Stomach, Liver and Kidney, Rheumatism, Asthma, Bronchitis, Nervous and Skin Diseases. Office hours, 9 to 11 a. m. and 4 to 8 p. m. Consultation free at office or by mail. Patients living at a distance can be successfully treated by mail.

MISS PHELPS, 168 Orange St., WILL EXHIBIT THE SEASON'S STYLES IN Bonnets and Hats.

CAUTION. The greatest care should be taken in preparing medicines for the sick. It has been taken in the distillation of the articles known as G. O. Taylor Old Bourbon or G. O. Taylor Pure Rye, bottled by C. H. Graves & Sons, and for sale by all leading Druggists and Grocers. Physicians can safely prescribe them. C. H. GRAVES & SONS, Sole Proprietors, Boston, Mass.

Prepare for Winter. Cold weather and storms of winter will soon be upon us, and the provident man provides in advance for the emergency. SLEEPERS' EYE CIGARS should not be neglected. It makes this preparation. Read the directions.

GREATLY ENLARGED. Having fitted up the entire floor over our store, the capacity of our dining parlors is greatly increased. We are prepared to arrange for Banquets, Suppers or Dinners, with Societies or Lodges. Private parlors reserved for Theaters. Rooms especially arranged for the accommodation of ladies.

GOES TO WELLESLEY. Mr. L. F. Morse, formerly a resident of State street, near Grove, for years bookkeeper for the Griffin company, removes with his family this week to Wellesley, Mass., where he is to engage in the business of a bookkeeper. Mr. Morse has a family of five children, and has many friends in his former neighborhood who will miss his presence. He is only assisted in his connection with others.

THE POLO SCHEDULE. When and Where the Games will be Played. This season's Holiday Games Not Yet Arranged. The championship schedule of polo games for the season of 1891-92 has been practically completed, with the exception of the holiday games, and as it has been given by this schedule New Haven opens the playing in this city next Monday evening, when the Hartford team, as the hero of the games will commence at 9 o'clock each evening, and Monday and Friday evenings will also find the local teams playing at home. The season closes March 28, 1892. The schedule for the season follows:

THE STATE SENATE. The Senate will be held at New Britain. The annual convention of the state Senate will be held at New Britain, on Monday afternoon, October 28, 1891. The meeting was of special interest because of the complication arising from the dispute of the award of last year's prize. It will be remembered that the Concordia society of Bridgeport had been awarded the prize in the second class last year under protest from the Germania society of the same city. The latter society charged the Concordia with taking in outsiders to sing at the festival, which the Concordia denied. The prize was awarded to the Concordia, but the Germania society protested. WHAT WAS THE MATTER? Read and See for Yourself.

A popular society lady faints at one of her receptions. What was the matter? The answer is by no means plain. Women have delicate and high-strung nerves. The great strength of nerves, brain and body. It will give you refreshing sleep, make your nerves strong, invigorate your mind, regulate your bowels. This means perfect health. It is the greatest and best of remedies. Purely vegetable and harmless. Druggists sell it, \$1.00. Dr. Green's Nerve is a wonderful remedy for nervous prostration and those terrible twinges, weak feelings that make life a burden, almost too great to bear. If you feel that cannot say enough in its praise for what it has done for me. It gives me the most restful sleep, and in fact does all that I need. I wish every poor, tired woman on the face of the earth could be induced to try it for three days, they would then understand its value, and life would not seem so unendurable and undesirable.
